NAAC 4TH CYCLE (2017-2022)

POLICY DOCUMENT FOR DIVYANGA STUDENTS AND STAFF

- The Persons with Disabilities Act 1995 indicates that differently-abled persons should have access to education at all levels. In the higher education sector, the University Grants Commission (UGC) is assisting universities in the country to promote inclusivity for differently abled students by way of guidelines.
- Yuvaraja's College (Autonomous) is evolving an Divyanga friendly environment to level up the participation and learning experiences of the differently abled students. Some of the policies have already been implemented in the operational systems of the college and a few others are in the pipeline.
- The college makes provision for scribes during examination for the needy Divyanga students as per the university and government rules and regulations.
- With the aim of providing a barrier- free infrastructure as far as possible, the college has added ramps for easy access to the class rooms for the old buildings. Additional ramps that would provide easy accessibility to all physical infrastructure are planned for future construction.
- Since the college is housed in a heritage building alterations to the original structure are avoided and hence lifts are not added to the main building. Instead provisions are made to cater to the needs of the differently abled staff and students. Support staff of the college are allocated duty to provide personal assistance for availing the services of the college administrative office and the
