

This memorandum of understanding (hereinafter referred to as MoU) is made and executed on this 16.01.2019 by and between the University of Mysore, Mysuru represented by the Registrar, Prof.R.Rajanna, (hereinafter called FIRST PARTY) and the World Pranic Healing Foundation, India ® Research Centre, Mysuru represented by Mr.Srikanth N Jois, Head of Research (herein after called SECOND PARTY) who are for the purpose of this MoU are hereinafter collectively referred to as the parties). The parties, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter into long – term collaboration for promotion of research and education regarding students' training and quality postgraduate research in cutting edge areas.

WHEREAS the "FIRST PARTY", **UNIVERSITY OF MYSORE (UOM), MYSURU** established in 1916 as a princely state university, now a statutory university of Karnataka through an act of Karnataka legislature for affiliation, coordination and maintenance of standards of higher education at collegiate level within its jurisdiction of Mysore, Mandya, Hassan, and Chamarajanagar districts of Karnataka state.

And whereas the University of Mysore is a leading state university known for high-quality academic research and teaching. The university is keen to forge partnerships with other academic institutions as a measure of enhancing the quality of teaching, research and innovation in the domain of higher education.

And whereas UoM is the sixth oldest university in India and accredited by NACC (national assessment and accreditation council) with FIVE STAR status in 2000 and reaccredited in 2006 at A-level. The university is recognized as an award of Rs. 100 core special grant to establish a centre of excellence in "biodiversity, bioprospecting and sustainable development". The state government has considered this university as an innovative university. Recently, the department of science and technology considering a decade-long scientific output has identified this university for special assistance under the promotion of university research for scientific excellence (PURSE) scheme. At present, the university has grade II autonomy with a CGPA of 3.47 in NACC accreditation. The university aims to go for an international accreditation during 2019 and achieve a CGPA of more than 3.5 during the NACC accreditation due during 2020.

And whereas the post-graduate departments of microbiology, biotechnology, chemistry, zoology, botany, biochemistry, food science and nutrition apart from other departments are also having strong research and teaching activities in the areas of basic sciences and extensions services which are related to applied areas of basic sciences and extension services which are related to applied areas of agricultural sciences. The infrastructure and expertise are amenable for collaboration and interaction with various relevant disciplines of agricultural sciences of other universities, institutions and organizations within the state and outside.

And whereas Yuvaraja's College (an Autonomous Constituent College of the University of Mysore) was established by erstwhile Maharaja of Mysore His Highness Sri Krishna raja Wodeyar, nine decades ago as an Intermediate College and was upgraded to First Grade College in the year 1947-48. It is one of the leading academic centre's serving to the cause of higher education in Science. UGC has granted Autonomous status during the year 2005 and is now extended up to 2020. As hallmark institute for Quality Education, College was re-accredited with "A" Grade by NAAC.

And whereas Department of Food Science and Nutrition had its humble beginning as Undergraduate course with combination BZF (Biochemistry, Zoology and Food Science and Nutrition) which was started to motivate boys to pursue career in Food Science and Nutrition in the year 1994. During the year 2016-17 M. Sc in Food Science and Nutrition course was also introduced, which indicates the phenomenal growth of the department.
