Dear SANTHOSH KUMAR S,

Your Reference number: GS2021BIOPHD011955

I am pleased to inform you that your performance in the TIFR/JGEEBILS exam held on Mar 7, 2021 qualifies you to submit a full application, which will be used by the following Centres/Institutions to shortlist candidates for interviews: DBS-TIFR (Mumbai); TCIS-TIFR (Hyderabad); NCBS-TIFR/inStem (Bangalore); ICTS-TIFR (Bangalore). Each Centre/Institution makes decisions to shortlist candidates independently, based on the material submitted by you in the full application.

Please use the Reference Code to access and download the Application Form (MS Word template) and review the information requested before completing the form. Once you complete all the sections, save the document in PDF format and upload the form as indicated.

Your referees must submit their reports electronically to us. To activate this section of the process, please click the "Submit Referee Report Online" button. You will have to provide the details (name and current email IDs) for two referees. The referees will be contacted automatically at the email IDs provided by you, and requested to submit their confidential assessment. We strongly encourage you to provide institutional email IDs for your referees. You will receive a notification when your referees are contacted and are responsible for ensuring that the reports are sent in on time.

There is no provision to submit the Application Form or Referee Reports offline. Incomplete application forms or those not supported by Referee Reports are invalid and not processed further.

Candidates are shortlisted for interviews by each Centre/Institution on the basis of the statement of interest, scientific and extra-curricular efforts, academic performance, Referee Reports, and scores/ranks in written tests. If you are shortlisted for an on-campus interview, you will receive a call letter directly from the relevant Centre(s)/Institution(s). The dates for the on-campus interviews will be mentioned in this call letter.

Please follow the instructions given in below link.
