

UNIVERSITY

OF MYSORE

YUVARAJA'S COLLEGE, MYSORE
(A Constituent Autonomous College with Potential for Excellence)

I. About the University

The University of Mysore is one of the oldest Universities in India. Sri Nalwadi Krishnaraja Wodeyar, the benevolent ruler of Mysore and Sri M.Visveshwaraiah, an Engineer, statesman and the Dewan of Mysore were the pioneers in establishing this great University. The University came into existence on 27th July, 1916. It was the fifth in the country and the very first in the erstwhile princely state of Mysore.

The University which made a humble beginning with only two colleges, (i.e. Maharaja's College at Mysore for Humanities and Central College at Bangalore for Science) has grown into a renowned centre for higher learning. At present there are as many as 194 colleges including four constituent colleges under its fold. Now the jurisdiction of Mysore University is spread over four districts viz., Mysore, Mandya, Hassan and Chamarajanagar.

The city of Mysore, where the University is located is the cultural centre of Karnataka. The City which was the capital of the erstwhile King of Mysore is famous for its magnificent palaces, temples, gardens and festivals. Tranquility and peace reign in this beautiful city where art is kept alive along with old traditions. In addition, it is a splendid city with historical monuments and architecturally beautiful structures in and around it. The city is situated at a height of **2517 ft.** above sea level, having salubrious weather throughout the year. It is about 140 km from Bangalore, the capital city, with which it is well connected by train and bus services.

2. Achievements of Mysore University:

The University of Mysore was first accredited by National Assessment and Accreditation Council (NAAC) with Five Star status in the year 2000 and has been reaccredited in 2006 at A+ level again. NAAC reaccredited the University with A grade in 2013 in recognition of its academic excellence. *Current Science* has ranked the University of Mysore as one of the top 20 Universities in Scientific and Research activities.

The University has excellent infrastructure for curricular and co-curricular activities. The University Library has a collection of 6.2 lakhs covering books, reference works and journal back volumes. In addition, the undergraduate library has a rich collection of about 4 lakh books. The E-resource Portal developed by the University library facilitates access to 6500 UGC-INFONET E-journals. 7000 Open Access Journals. 17000 licensed e-books, lakhs of OA e-books, a number of databases, e-thesis, institutional repositories and other information sources. The library has set up a Carrier Information Resource Center and Learning Resource Center for

Visually Challenged. The main campus of the University features an amphitheater, an auditorium, a swimming pool, and hostels for women and men with modern amenities and comforts.

3. Hostels:

The Directorate of Student Welfare provides accommodation to the students who are admitted to the PG and UG courses, and also provides accommodation facilities to those ladies who are working in and around Mysore in the Working Women's hostel. Under the control of DSW, there are 15 hostels.

4. Sports:

Spacious sports grounds, a Gymnasium and a Swimming Pool are maintained by the University for the benefit of our students. A multi gym facility is available to the students in the college campus.

5. Cultural / Extracurricular Activities:

The Directorate of Student Welfare conducts the following extracurricular activities regularly every year.

1. University level Inter-Collegiate Cultural Competitions to identify those who possess the best talent in literary and cultural activities. Winners will be sent to the South-Zone Youth festival, National and International Youth Festival hosted by AIU.

2. Debate Competition in co-ordination with the Karnataka State Co-operative Dept. and Indian Association of Parliamentarians on population and development, New Delhi.

3. At the college level two cultural and other extra-curricular activities are conducted. To facilitate the conduct of these activities there is an open-air auditorium in the college quadrangle and an auditorium in the Centenary Building.

6. Postal Services:

The Department of Posts and Telegraphs has opened post offices on both the campuses with telegraph services. There is speed-post facility too.

7. Banking Services:

State Bank of Mysore has its branches in the University Campus with ATM facility (Crawford Hall) and also in Manasagangotri, Mysore.

8. Transport Service:

KSRTC City buses ply through the campus traversing all localities of the city at a frequency of once in every 20 to 30 minutes. The University/College campus is located at a distance of 2 km from the Central Bus Stand and 1.5 km from the city Railway Station.

9. Employment Information Bureau:

The University Employment Information and Guidance Bureau (UEIGB) situated at MGM, provides information on the courses and career prospects through literature and booklets displayed in the Bureau and through lectures and seminars held in various colleges. Information about courses in other Universities both within the country and abroad is also furnished. The professional and postgraduate students can register their names for employment assistance.

10. Scholarships:

State and Central Governments have been awarding a good number of scholarships for the meritorious and deserving students. Special scholarships for children of political sufferers, defense personnel and for physically handicapped are also offered. Free Student Scholarships are also given. The students of SC/ST, Cat.I, IIa, IIb, IIIa and IIIb categories have the benefit of free studentships up to a prescribed income limit.

The university also provides financial assistance to physically handicapped students.

11. SC/ST Cell:

There is a separate SC/ST Cell to look after the welfare of the SC/ST students, research scholars and employees. The SC/ST students staying in hostels are given extra boarding and lodging charges to provide good food. Research Fellowships are awarded through the Cell every year.

12. Directorate of Students' Welfare:

The Directorate of Students' Welfare looks after the students' welfare in the University. Information about courses and guidance in admission are provided here.

Various financial assistance programmes, like Financial Assistance to physically challenged are taken up by it.

In addition, co-curricular activities such as Literary and Cultural competitions, Inter – collegiate and Inter-university Competitions are organized.

13. Foreign Students Cell:

Foreign Students are given assistance by the Foreign Students' Adviser regarding their admission and accommodation. The office is located at Fine Arts College, Manasagangotri, Mysore.

II About Yuvaraja's College

Yuvaraja's College is one of the constituent colleges of the University of Mysore. The college attained **Autonomous Status** in the academic year 2005-06. It has the maximum number of special branches in Science like Electronics, Computer Science, Microbiology, Sericulture, Biochemistry, Environmental Science, Statistics, Food Science and Nutrition, Earth Science and

Resource Management etc. In addition to the basic science subjects, BBA and BCA (Bachelor of Computer Applications) courses have also been introduced.

In the erstwhile Princely State of Mysore, when this college was first established as an Intermediate College on 24th June 1928, there were very few colleges in the state. The foundation stone of the College was laid on 8th August 1927 by the then Vice-chancellor of the University of Mysore, Sir K.Brajendranath Seal who was a great educationist of that time. With the dawn of independence, in the year 1947-48, the College was upgraded to a First Grade College. In the year 1954, the Silver Jubilee of the college was celebrated and the last Maharaja of the erstwhile princely State of Mysore, His Highness Sri Jayachamaraja Wadiyar, inaugurated it. To commemorate the occasion, the college was rechristened “**Yuvaraja’s College**” as His Highness himself was a student of the intermediate course in this hallowed institution during 1934-36. Many noted scientists, poets and men of letters of this country were the students of this great institution.

This is now a **multi-faculty College**, with three year B.Sc. and two year M.Sc. in Chemistry and five year Integrated M.Sc. Molecular Biology courses (Science Faculty) and B.B.A.(Commerce Faculty) degree course and M.A. in English (Arts Faculty) with Semester Scheme for B.Sc., B.B.A., and B.C.A C.B.C.S scheme for post graduate programs, providing quality education to more than two thousand students each year. The quality of instruction imparted here is of a high order and hence a notable share of the top ranks in the degree examinations were bagged, by the students of this college before it attained autonomous status. A separate hostel for women was constructed utilizing the UGC grant of Rs.1 crore. The admission is open to the students of the College for the academic year 2014-15.

There are various associations and clubs including **Jnanavahini Sangha** functioning in the College which enable the students with varied interests to participate in a variety of programmes under the expert guidance of experienced teachers.

The college brings out every year a magazine titled *Yuvachintana* which provides the students of the college to articulate their views on varied subjects and express their creative talent.

The students can make use of both curricular and extra-curricular facilities available in this college for their progress and in turn they can contribute their mite to the welfare of the nation.

The College has been endowed with the status of “*College with Potential for Excellence (CPE)*”. It is a rare distinction that Yuvaraja’s College acquired. It is one among the 149 colleges all over India that secured the status of College with Potential for Excellence.
