Report on Women Empowerment Lecture by Dr. Swarnamala Sirsi

The women empowerment cell and IQAC Yuvaraja's college, Mysore conducted an awareness programme on "Is women empowerment a myth or reality?" on 25-02-2021 at Einstein hall, Yuvaraja's college, Mysore. The lecture was organized with a view to take up women's issues and problems like gender sensitization, sexual harassment, and domestic violence. It aimed at creating awareness of the rights and duties. Added to it, suggestions for improvement and empowerment among themselves had been given. The programme started with welcome address by Dr. Ruby Salestina M., associate professor mathematics department, Yuvaraja's college, Mysore. Dr. Swarnamala Sirsi Retd. Professor, Yuvaraja's college, Mysore was invited to talk on the topic "Is women empowerment a myth or reality?"

She started with a quiz regarding gender ratio comparison such as male to female sex ratio, literacy rate, male to female work force participation, female feticide. She also addressed the fourth most common crime against women in India-Rape. At least one rape is reported every 16 minutes in India among these, victims who do report the assaults are alleged to suffer mistreatment and humiliation from the police. Most rapes go unreported because the rape victims fear retaliation and humiliation. She highlighted the need for empowering women at the work place. Due to gender norms, working women, often face difficulties and challenges there by necessitating the need for protective measures that safeguard women's rights and safety.

She accentuated on how women are portrayed as sexually promiscuous out to entrap men in every religion. She foregrounded the fact that women empowerment is beneficial for both men and women and when women are living safe, fulfilled, and productive life they can reach full potential. Empowering women is essential to the health and social development of families, communities and countries. She urged the women to be career oriented. Her lecture was concluded by Q&A session. One of the attendee raised a question related to women's clothing. Does woman's attire really provoke? Are women clad in sarees and burqa's not raped? To which she replied that pathology is an obsession for sex. Another reason is the desire to control and assert power.

The programme was followed by Prof. B. N. Yashodha Principal, Yuvaraja's college to resolve the issues raised by the attendees related to women's sanitary needs in the campus.

The programme was concluded with vote of thanks by Dr. Ruby Salestina M.

Feedback: The lecture was immensely beneficial. It helped me understand that educated women can literally contribute a lot to one's life, society and country. It made me realize empowering women is not a one-step solution. Up bringing the kids alike right from the young age is a step forward for gender equality.

Youth Hostel Awareness Held on 9th July 2019

Above programme was held on 9th July' 2019. In this programme Prof. Jagannath, V., Retired ISRO Scientist, presently a Life member of International Youth Hostels was present. He spoke about the functioning, utilities and facilities of Youth Hostel. In his speech, he stressed about Youth hostel that, it is a place for forming friendship/ contacts. It is a place for recreation and informal education. He also told that in India, and abroad nearly 2500 centres are there, and in India about 50 Youth Hostels in different cities of our country, so that youngsters can avail and utilise the facilities at affordable cost or in cheaper cost as compared to private hotels/lodges. Moreover, he told that it provides more security as compared to private lodges/rooms. He encouraged our students' participants to become the member for a year, or for a period of two years and/or life member of Youth Hostel. To encourage the students, on the spot, he paid one year membership amount for four students who are under 18 years of age, and thereby made them as member for Youth Hostel for one year. He also informed the participants to inform their friends, parents, relatives, so that let others should aware of such facilities which are available to young generations and to all.

**Orientation Programme for newly joined B.Sc., BCA and BBA Students of the academic
year 2017-18**

Workshop on women empowerment and gender sensitization

This workshop is held every year during the orientation programme for newly joined undergraduate students of the college the main purpose of this workshop is to bring an awareness among the students on gender equality and to sensitize them on other gender issues. This year we had invited women activists from the NGO "SAMATHA" who had an interactive session with the students on various gender issues. The final year B.Sc. students presented a skit on gender equality.
