

### 2.3.1

Student-centric methods such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Institution enables the student-centric methods by employing a variety of teaching methods viz. traditional lecture-based teaching, interactive, collaborative, and ICT-enabled approaches suitable to the students' needs to realize their goals, evolve as leaders, and transform into better individuals of society.

Advanced techniques such as PowerPoint presentations, slide shows, and relevant videos are incorporated to make the learning process more interesting. encouraging students' participation and interactive learning through the student involvement in Oral presentations, seminars, project works, quizzes, debates, research data analysis, and participate in group discussions.

Experiential learning: by providing ample opportunities to enrich their learning experience through study tours, field visits, industrial visits, research institutions and dissections. Some departments have virtual labs aid to enrich the student's knowledge. Accordance with the NEP, Sports, health and wellness, Yoga, NSS, NCC, and CA are mandatory activities for the students.

Problem solving methodologies: The students are being guided to take up additional Skill enhancement training at Institute of Excellence under the University of Mysore, Mysuru where in the students are made to learn advanced science experiments. Further all the students are encouraged to enroll under UGCSWAYAM courses for procuring additional Credits. Independent learning abilities are promoted by e-assignments, presentations, general Library, and ICT-based learning.

## SEMINARS, WORKSHOPS, SPECIAL LECTURES, SWACCHATHA DRIVE AND MANY MORE ACTIVITIES SINCE ITS INCEPTION

Organised “Workshop on Data Analytics Using Microsoft Excel and JAMOVI” from 02-6-23 to 03-06-23

The program had been organized on 2nd and 3rd of June 2023 by the Dept of MBA, Yuvaraja's college (Autonomous), University of Mysore, Mysore from 9 AM to 5 PM. The program began at 9:30AM with the arrival of the resource person Shri. Shankar M M (Mentor, Cares Bengaluru) and Kavya shree (Mentor, Cares Bengaluru).

Prof.C.Sumangala initiated the program by welcoming the resource person. The program continued with an interactive session about Excel and how Excel will play a key role in the student's career and work floor. The purpose of this program was to educate students about Data Analytics, Advanced Excel and about software named Jamovi which can be used to prepare final semester/academic projects. There was great enthusiasm among the students and they were looking highly spirited. It was an unforgettable program.

The students were served light refreshment in between the session along with lunch (In breaks). The resource person Shankar MM (Mentor, Cares Bengaluru) gave a very motivating lecture on about the role of Excel and Data analytics. His approach to teach the students was very practical. The two days program concluded after distributing participation certificates.

HOD Prof.C.Sumangala thanked the resource person and the students for making the program a grand success. Dr.H.M Leelavathi actively involved herself in the workshop and was a great source of motivation to the students.

The event was organised under IQAC by YCM Alumni Association after the approval in the Executive Committee meeting of YCMAA on 1.1.2024 held at 11.00AM . A circular was sent to all departments and a Flyer was shared in Electronic media to different colleges also. 238 participants got the benefit of the program – “GATE Exam: A Bunch of Opportunities Open in Biology”.

Dr. Nikhil R. Gandasy began his workshop by asking few questions to the students. He asked “how many are aware of GATE examination” . Around 30 students responded yes. But rest of them were not having the knowledge. Dr Nikhil gave the scope of qualifying GATE examination. He informed the audience that students get qualified through percentile system and thus each year the qualifying marks will vary. Around 60000 Students generally take this examination and around 5000 get qualified. But good ranking is required for getting the eligibility to enter into reputed institutes. GATE score is considered for admissions in National University of Singapore and many research institutes of Germany. In addition to this a good GATE score also gives the qualified candidates an opportunity to enter into Public Sector undertakings of our country. Dr Nikhil gave a birds eye view of Indian Institute of Science (where he is working as a Faculty) starting from its inception to the present day with supporting photographs. He opened up the avenues of graduate, integrated PhD and PhD programs of the Institute and stressed upon the importance of problem solving approach. He mentioned that lot of opportunities in the area of Artificial Intelligence is opening up in biology. Students raised many questions and the interaction took place for more than an hour.

This workshop is completed successfully with 238 participants and 235 Post graduate and graduate students getting the benefit. Glimpses of the workshop is given below:
