#### Our college won the overall championship trophy.

Our college has the distinction of maintaining its standards mainly due to the hard work and perseverance of our talented students. Due to COVID-19, the students found it very difficult to showcase their talent as there was a complete drought in the conduct of cultural competitions during March 2020 to May 2022. But the students were resilient and their efforts paid off. Our college has performed exceedingly well in bagging the top positions in almost all the competitions which is a matter of great pride. Congratulations to the entire cultural team!!
