NOTICE TO THE STUDENTS

Students are invited to prepare posters with "Restore Our Earth" theme and email them to ecoclubycm2021@gmail.com

Certificates of appreciation will be granted to the top three posters.

Students are also encouraged to create useful objects from waste, which should be photographed and emailed to ecoclubycm2021@gmail.com by **April 21, 2021**.

These products should be kept for display when the college reopens in your departments.

These will be evaluated and **3 prizes** will be given to students later with certificates.

While sending the photos of the above by mail write your **correct name with initials, semester, course, combination, phone number and email ID.**
