

## Dr. H.S. Jayanth

Dr. H.S. Jayanth	
Designation	Associate Professor
Email Id	jayanth_s@yahoo.com
Phone	9845137591

A portrait photograph of Dr. H.S. Jayanth, a middle-aged man with glasses, wearing a blue button-down shirt. He is looking directly at the camera against a plain white background.

**Area of specialization:** specialized in the field of bacterial diversity, study of food borne pathogens and its rapid detection, characterization and identification of behavioral pattern of bacteria and waste water Microbiology and industrial microbiology

### MEMBERSHIP OF PROFESSIONAL BODIES

1. life member of Association of Microbiologists of India, Society of Biological chemists of India and Association of Food Scientists and Technologists of India.
2. Life member of Dignity foundation Bangalore an NGO enabling senior citizens in their routine activities
3. Volunteer at Shree Ramana Maharishi Academy for the Blind (SRMAB) JP nagar Bangalore.

### Details of Research papers, conferences, workshops, invited talks:

1. Participated in National seminar on **“Statistical methods and Data analysis”** held on 26<sup>th</sup> and 27<sup>th</sup> September,2014 held at Yuvaraja’s college Mysore
2. Delivered an invited talk on **“Traditional and rapid detection of food borne bacteria”** in National conference on “Innovations in Ethnopharmacology, Recent Developments in Biological and Chemical Science for Societal Benefits” March 1-3,2013, sponsored by CSIR,UGC and DBT held at Dept. of Zoology, Govt. Post graduate college, Pithoragarh, Uttarakhand

3. Delivered an invited talk on “**Public health significance of food borne bacterial pathogens**” in National conference on “Innovations in Ethnopharmacology, Recent Developments in Biological and Chemical Science for Societal Benefits” March 1-3,2013,sponsored by CSIR,UGC and DBT held at Dept. of Zoology, Govt. Post graduate college, Pithoragarh, Uttarakhand
4. Selected and participated in training programme on “**Molecular biology techniques in Microbiology**” from 04.03.2010 to 19.03.2010, under the sponsorship of Department of Biotechnology Govt. of India New Delhi held at CSIR-Central Food Technological Research Institute Mysore.
5. Participated in UGC sponsored State level seminar on “**Intellectual property rights in Life Sciences**” on 3<sup>rd</sup> December 2009 at Pooja Bhagavat Mahajana Post graduate center Mysore
6. Participated in UGC sponsored state level seminar on “**Recent developments in Microbial Technology**” on 5<sup>th</sup> and 6<sup>th</sup> March 2009 at JSS Women’s college Mysore.
7. Presented a research paper “ **Behavioral pattern of *Listeria* species in different culture media**” at International conference on Microbial diversity 2005 held on 3-5<sup>th</sup> April 2005 sponsored by DBT, CSIR and UGC held at Dept. of Microbiology University of Delhi South Campus .
